

Textures Facilities Management Services

Textures Flooring has been serving Nashville and surrounding counties since January 2003. We entered the market with a unique business model that has not only survived the great recession, but is flourishing in middle Tennessee.

Why We Succeed

THE SECRET? Customers don't have time to run all over town. We listen to our clients and bring solutions. At Textures fancy showrooms and their related high costs are replaced with a focus on serving clients with top line products and dependable service at attractive prices. You can count on us to do it right the first time, and if we don't...we'll make it right...immediately.

High Traffic Area Floor Replacement

TEXTURES HAS BEEN HELPING FACILITIES MANAGERS KEEP THEIR FLOORS LOOKING FRESH FOR MANY YEARS. Textures provides all types of flooring for residential and commercial buildings. Today several major facilities depend on Textures to replace worn floors, such as The Hermitage Hotel, Belmont University, BMI Music Group, and The Hutton Hotel, to name a few.

Don't Take Our Word for It

“For years, Textures Flooring has been the preferred flooring contractor for The Hermitage Hotel. They have continually provided a high level of service and been competitively priced. Textures has been prompt in resolving the inevitable issues that arise during large projects, and they have made the process easy for our staff.”

Ray Minias
HOTEL MANAGER
THE HERMITAGE HOTEL

“When building out our manufacturing plant, we required a variety of flooring needs from offices to production rooms. The Textures team provided the expertise and experience to help us make the smartest choices—and we've been very satisfied with our decisions. You can count on reliable and friendly service combined with quality products and installation. I highly recommend Textures.”

Carey Aron
